Our Price: £11.99

Description

Standard Propane Regulator - 37mbar

Stay safe whilst you're BBQ'ing this season or using your portable heater at home, this standard propane regulator from Continental is an essential for any gas bottle users.

Approved to EN128642001 - with an operating pressure of 37 mbar, this is ideal for the gas bottles with female valve connections as this is a male propane regulator.

Why not take a look at our **Calor** range of gas bottles?
