Description

Lifestyle Black Catalytic Indoor Heater 3Kw

***** If you require cylinder hire please speak to your local store before purchase *****

Manufactured to an exceptional standard, this indoor spot heater is proving a popular choice for both commercial venues and home heating.

Features automatic ignition for easy lighting and variable heat settings to keep you warm & toasty throughout the winter months.

Boasts internal cylinder housing of the 15kg butane keeping the gas bottle safely out of sight and harms way.

Includes a flame failure device & oxygen depletion system in case the oxygen levels fall too low, along with fitted castors for ease of moving from room to room and help prevent the unit from toppling over.

Dimensions: Height:70 cms | Width:40 cms | Depth (with back support):41cms | Depth (without back support):30cms.
