Description

Lifestyle Mini Black Heatforce Indoor Heater 4.2kW

***** If you require cylinder hire please speak to your local store before purchase *****

A small but mighty compact LPG Butane gas fuelled heater with variable heat settings and an ideal choice for those smaller more confined spaces in the home or garden outbuilding.

Featuring a built in Piezo ignition, flame failure device & oxygen depletion system if the oxygen levels fall too low, additional safety components include fitted castors for ease of moving and prevent the unit from toppling over.

The product also includes a fold out bottle tray with back support to house & contain a 7Kg butane gas cylinder.

Sure to make a statement wherever it is arranged, this innovative source of instant heat is perfect for chilly winter days and available in either **Retro Red** or **Contemporary Black**.

Hose and regulator supplied as standard.

Please note whilst the image supplied from Lifestyle is Black, we feel the overall tone is more Anthracite Grey.

Dimensions: Width: 42cms | Depth (with back support): 43cms | Depth (without back support): 27cms | Height: 59cms | Packaged Weight 10kg
