Husqvarna Combi Fuel Can 5L & 2.5L

Featuring two containers which have been adjusted to achieve an optimized fuel to chain oil ratio (5.0 / 2.5 litres), this Husqvarna Combi Fuel Can enables you to refuel quickly without splash effects or any waste.

Reducing downtime, the latest version is also equipped with a newly designed & flexible space for frequently used tools and spare parts, allowing you to keep on working.

Approved in accordance with UN recommendations.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
