Description

Husqvarna Leather Boots

Husqvarna Leather boots in high quality leather and Vibram™ sole. Based on the knowledge from forestry workers high demand on quality and comfort these boots have been designed and made to fit demanding consumers needs. High quality treated leather and seams of heavy-duty threads for significant strength. Inside of waterproof soft Porelle® lining for high comfort. Reinforced material over toe and heel. Hooks and eyelets for easy adjustment. Sole of medium stiffness and good grip. This boot has no steel toe cap or saw protection which makes it perfect to wear when for example going hiking or fishing.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
