Description

Husqvarna Children's Battery Operated Toy Chain Saw Kit

Modelled on a full size Husqvarna 440, this kids version thunders into action with a pull of the cord, realistic cutting sounds and trigger action to rotate a plastic chain.

Including hard hat and gloves, the ideal gift to encourage children to step outdoors and help out with the bigger chores in the garden.

No stereotyping either; lightweight to handle for both girls & boys to show no job is too mighty and perfect for any budding Arborists in the family.

Suitable for children 3 and over.
