Description

Swarfega Orange Hand Cleaner 4L Pump Pack

Advanced formulation, solvent-free heavy duty hand cleanser containing non-abrasive scrubbers for a deep-down cleaning action and moisturiser to help care for the skin.

Intended for use at the end of each work period, or more frequently if required, to remove a wide range of difficult to remove oil, grease and general soiling. The pump provides controlled dosages and helps prevent cross contamination with a single push being sufficient for an effective hand wash.

Apply to dry hands and rub in well to loosen all soiling. Rinse well with clean running water and dry hands thoroughly.
