

Swarfega Stop Quick Brake & Clutch Cleaner 5L Tin

47-16134

Our Price: £40

Description

Swarfega Stop Quick Brake & Clutch Cleaner 5L Tin

A highly effective, quick drying brake and clutch cleaner with versatile uses on external brake parts, clutches, carburettors, starter motors, springs & pistons.

The low surface tension of this specialist formulation allows it to rapidly disperse across surfaces to dampen and absorb brake dust and particles.

Powerful formula starts working instantly to loosen engine build up of oils, lubricants and general dirt and grime.

Overspray will not damage or corrode paintwork or other metal components and in normal use, most plastic & rubber components.
