Description

Swarfega Jizer Parts Degreaser 5L Tin

A versatile water rinsable parts degreaser that will quickly dissolve heavy deposits of mineral oil, grease, tar, bitumen and waxes with added rust inhibitor to help reduce corrosion during the degreasing process.

Thoroughly cleans engines, motors, component parts, machinery & tools and compatible with all metal and metal components. Furthermore will not stain or damage most plastics, synthetic rubber or paints.

Economic to use due to its high absorption rate and rapidly separates from dirt and grime for repeated usage.

Safe to use with most other degreasers due to its high flash point not less than 61°C.
