Description

Scan Pink Hi-Vis Safety Waistcoat

Be seen, be safe in this Hi-Visibility waistcoat suitable for wear in both bright & restricted light conditions.

Featuring parallel, horizontal and vertical taped retro-reflective bands with HiVizzD technology to increase visibility during the hours of darkness, a hot pink fluorescent background to ensure high visibility in bright sunlight, the vest has been neatly finished with black bound contrast edging and easy hook and loop front fastening.

A nice alternative to the traditional yellow & orange options.

Conforms to EN471 Class 2, EN340 & PPE CAT-I safety standards.
