

# Private: Atco GT48H Twin

MT-AORDGT48H

**Our Price: £4489**

## Description

The GT48H Twin is the flagship model in the Atco tractor range. With a 656cc Briggs & Stratton twin cylinder Intek 7220 (EFM) V-Twin engine this tractor has plenty of smooth power available.

This top of the range machine features a twin blade "timed" cutter deck with contra-rotating blades for a superb finish. The cutting deck is easily cleaned with the deck wash facility. Collecting performance is second to none and there is a large 320 litre collector with buzzer to alert the driver when its ready for emptying.

Naturally a machine of this calibre comes with hydrostatic drive for easy handling around trees, flowerbeds and other obstacles. Combined with the responsive chassis and refined power, this tractor is a real pleasure to use.

If you have large areas of grass to maintain then the GT48H Twin makes an excellent choice.

A front bumper, towing hitch and mulching kit are included. Optional additional accessories include a long grass deflector.
