Hayter Harrier 48 – 476A Autodrive – Variable Speed – Electric Start

HY-MWHA476

Our Price: £1199

Description

Hayter Harrier 48 - 476

The Harrier® 48 rear roller rotary lawn mower with variable speed and a push-to-start electric starter is ideal lawns up to 500 square metres (approximately 2 tennis courts).

Comfortably walk at your own pace with an adjustable drive speed of 1.8 – 3.3mph. The split rear roller allows you to turn without marking turf once you've reach the lawn edge, giving you a superb striped finish to your flat formal lawn.

Features and Benefits:

- The 48cm cutting width is ideal for medium (up to 500 square metres) formal gardens with minimal slopes.
- Briggs & Stratton InStart® technology for effortless starting: just push the button and go! Say goodbye to pull cords.
- Self-propelled. Let the lawnmower do all of the work so you can simply walk behind and steer.
- Trim Side deck design means you can cut right to the edge – ideal for around borders, raised flower beds and retaining walls.
- A two piece, ribbed rear roller provides superior traction, manoeuvrability and avoids turf marking when turning.
- Easy to use height-of-cut lever. Choose between seven different heights (13 – 60mm) for your desired grass length.
- High performing cut and collection system uses Vari-Pitch™ cutting technology† to remove grass clippings once cut.
- Quickly collect any unwanted leaves from your lawn by setting your height-of-cut one position above your grass.
- Lifetime Deck Warranty† against any cracking or breaking of the aluminium deck during normal use.
- ReadyStart® technology ensures hassle free starting time after time.

We are an authorised **Hayter** dealer and can provide full service support and maintenance for your Hayter product.
