3M 8835 P3 Particulate Respirators

21-19035

Description

3M 8835 P3 Particulate Respirators

This 3M expandable, off the face particulate mask Mask provides lightweight, effective, comfortable and hygienic respiratory protection against higher levels of fine dusts, mists and metal fumes.

Featuring a robust expandable shell and cup alongside a soft inner face seal ring for a comfort and secure feel, 4 point adjustable headbands, 3M Advanced Electret filter material and a 3M CoolFlow exhalation valve for improved comfort in hot/humid working conditions and/or where the work is hard and physical.

Additionally, the mask is marked with an 'R' for repeated use providing remains unclogged and good hygiene practices are implemented.

Standard: EN149:2001 FFP3 R D compliant.

Pack Size x 5

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
