Our Price: £32.5

3M 8822 P2 Disposable Valved Respirators

21-19029

Description

3M 8822 P2 Disposable Valved Respirators

Disposable FFP2 respirator offers reliable, effective protection against mists & fine particulates.

Featuring a durable, collapse resistant inner shell, the convex shape, twin strap design, nose foam and nose clip ensures comfortable wear over a range of face sizes.

Includes a 3M CoolFlow exhalation valve to reduce heat and moisture build-up even in hot and humid conditions.

Standard: EN149:2001 FFP2 NR D compliant.

Pack Size x 10.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
