Our Price: £49.99

Description

ICL Landscaper Pro Universtar Balance 25kg

UNIVERSTAR Balance has been developed as a convenient and cost-effective general purpose fertiliser which contains a balanced blend of nutrients to provide an extended release pattern.

Can be used on both lawns & borders for immediate response, continuing to release nutrients for up to 3 months.

Suitable for use between the months of March to August.

Application rate: 25 – 35g/m²

Pack Coverage: 625 – 1000m²

For an even, all round spread pattern, we thoroughly recommend the ICL AccuPro 1000 Rotary Fertiliser & Seed Spreader.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
