Hoggs of Fife Kinross Waterproof Field Jacket

21-18880P

Description

Hoggs of Fife Kinross Waterproof Field Jacket

Forming part of the Hoggs Field Pro range, the waterproof Kinross jacket is crafted from durable Tricot fabric which retains its shape over many years' wear, yet has a soft outer texture.

Delivering a lightweight performance feel whilst being completely weatherproof, the tonal panels offer reinforcements on the wear points and finishes with elasticated storm cuffs, adjustable hem alongside zip secure pockets for those all important essentials.

A shrewd investment for the lighter months where you need to stay comfortable on the move but equipped for any unpredictable changes in the weather.

Available in UK Sizes: M-XXXL.

Please be aware upon inspection, we would suggest the pantone of this jacket verges more towards Dark Olive/Brown rather than Olive/Green.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
