

Private: Husqvarna Klippo LB553SE Petrol Lawn Mower

HV-MWLB553SE

Our Price: £1206.46

Description

The LB 553S is a reliable, robust BioClip® machine, designed for tough, professional use. The design has focussed on achieving the best possible ergonomic conditions for the operator, and good cutting results, even in wet weather.

The handle and the steering mechanism are effectively vibration dampened and the central cutting height adjustment is spring loaded to make adjustment as easy as possible.

The LB 553S is self propelling, with front-wheel drive for optimal handling. Light-weight wheels of aluminium, with double ball bearings and rubber tyres.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
