Description

Muck Boot Woody Max Tall Boots

The *Woody Max* is perfect in those extreme winter weather conditions and steps up the warmth factor with soft fleece lining and a 5mm neoprene inner boot.

The stretch-fit top-line binding keeps the boots snug to your legs to keep cold air out and warm air in, even in extreme temperatures.

Boasting an EVA moulded sole for supreme comfort, these winter boots feature an added 2mm thermal foam underlay for extra warmth and for those super muddy or frozen days, the outsole is rugged, durable and foot protecting.

A keen sportsman's 'must have', lightweight, aggressive and ready to handle whatever you're hunting.
