20-09521P / 20-09607P

Our Price: £54.95

Description

Hoggs Rambler Unisex Hiking Boot

Rambler is a lightweight hiking boot, ideal for a range of outdoor activities, including for dog walking, bird watching or simply enjoying our coastal paths.

Designed for both men & women, they offer all the advantages of a 'performance' boot at half the price and available in two great colourways to appeal.

Water repellent and breathable with a light footed construction that won't weigh you down, they feature a rubber cleated sole for superb grip and absorption on uneven terrain, removable Hydry™ lining to wick away moisture and cushioned insoles to aid circulation.

Finished with a padded collar to comfort and support the ankle region on long hikes, the quick release D-ring fastening allows for versatile lacing and easy on-off.
