Description

Le Chameau Men's Chasseur Neoprene Lined Wellington Boots

The iconic Chasseur, a handcrafted premium neoprene lined zip boot is instantly recognisable and with over forty years of pedigree, the Prince amongst boots.

Featuring Kevlar reinforcement to the front for extra protection against abrasion alongside a heavy duty watertight full length zip and snap for easy on-off action, the boot also boasts a full 3mm neoprene lining offering superior warmth and wear on those gruelling winter days.

A dual-density grip sole helps absorb shock and features a shank reinforcement board for better stability & arch support whilst the abrasion-resistant outsole offers sure-footed traction on uneven, slippery, muddy and soft terrain.

Created, developed & enhanced for hunting, this boot remains today a legend in the field.

Available in UK sizes: 6-12.
