Our Price: £119

Description

Hoggs of Fife Glenmore Lightweight Shooting Jacket

Made from whisper quiet, 100% fine twill peached microfibre that is soft to handle, durable and hardwearing, the Glenmore may be designed for Fieldsports but is the perfect year round performance waterproof when not on duty.

Waterproof, windproof and breathable, it features anchor loops which can be worn with an interactive gilet for extra warmth in colder conditions, an action back & actuated elbows for ease of movement and faux suede trim on all the high wear points.

Attentively finished with a detachable hood, drawcord waist & storm cuffs, nylon drip strip to prevent water ingress and an army of utility pockets for all necessities out in the field, this Glenmore Jacket is ideal for the start or end of the season where better conditions may prevail and when you prefer to layer for warmth.

For complete head to toe protection, team with other great products in the Glenmore range.
