Description

Honda HF 2417HM Petrol Lawn Tractor

Fitted with a Honda 17hp V-twin air cooled engine the Honda HF 2417HM petrol lawn tractor gives great performance and easy starting every time. And with a hydrostatic drive the Honda HF 2417HM petrol lawn tractor ensures smooth operation and a quality cut at any speed, as the blade speed is independent of forward drive speed. The larger deck of the Honda HF 2417 HM ride on tractor also features anti-scalp wheels allowing the cutter deck to float over uneven ground, protecting the lawn. This enhanced model has an LED diagnostic dashboard, automatic headlights, a pneumatic blade clutch for easy operation and a fan driven collection system for superb grass collection even in wetter conditions. Lawn care has never been so easy.

We are an authorised **Honda** dealer and can provide full service back up and maintenance for your Honda equipment.
