Description

Large Heavy Duty Metal Edged Snow Shovel

Did someone say 'SNOW'? At Ernest Doe with 19 Branches in the South East, we are always on standby and if it isn't snowing, be assured we can find a multitude of uses in between from garden clearing to mucking out the stable.

Supplied with a lightweight wooden shaft to prevent straining your back and sturdy 'D' grip for added comfort & leverage, the working end of this tool features a wide, heavy duty plastic scoop trimmed with metal edging for extra stability.

Capable of clearing a large volume of snow in one powerful sweep, this tool is assured to make light work clearing paths, driveways, yards & car park.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
