Description

Cooper Pegler CP3 Evolution Knapsack Sprayer 20L

The 20 litre capacity CP 3 provides greater work autonomy and improved comfort thanks to its two carrying handles and ergonomic safety harness.

The non-corrosive polypropylene tank has no openings below the liquid level, substantially reducing the chance of user contamination and benefits from a wide filler hole to prevent overflow and low mesh strainer to filter out dirt.

The unique membrane pump system ensures a long life for the equipment and maximum convenience in spraying thanks to its flexible pumping whilst the built-in pressure relief valve guarantees precision on the type of application desired.

Nozzles included: Yellow hollow cone and green anvil.

Versatile for a number of business sectors such as horticulture, agriculture, industrial & amenity, an essential land management tool for the Professional or Small Holder.
