Bosch AXT25TC Electric Shredder

BO-SHAXT25TC

Description

Bosch AXT25TC Electric Shredder

The Bosch AXT25TC Electric Shredder features the “Turbine-Cut System” to guarantee extremely fast material throughput without jamming. Its top performance is enabled by powerful shredders delivering up to 230 kg/h material throughput while easily shredding branches and shrubs of up to 45 mm thickness. The removable hopper reduces storage space by 30% compared to its predecessor, making this a handy little powerhouse with a height of only 67 cm when stored.

Comes complete with -

- Practical plunger
- 53 l collection box

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
