## Description

### Bosch AXT25D Quiet Electric Shredder

The quiet Bosch AXT25TC Electric Shredder knows to impress through its low noise emissions and powerful shredding performance. The optimized drum cutting system delivers a 175 kg/h material throughput with up to 40 mm cutting capacity, while its low noise level ensures a pleasant work environment. The removable hopper provides a 30% storage space reduction compared to its predecessor, meaning that this silent yet powerful garden tool is only 67 cm high when stored.

Comes complete with -

- Practical plunger
- 53 l collection box

## Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
