## Description

### Schoffel Ptarmigan Extreme II Coat Woodland

An update on the original shooting coat, the Ptarmigan Extreme II now features a more durable fabric whilst still retaining its' lightweight, soft handle feel.

Constructed with a GORE-TEX® 2-layer laminate, completely breathable and providing superior protection from the elements, the contemporary Sporting Cut features an underarm gusset for ultimate lift and freedom of movement out in the field.

Including large bellows pockets & retainer straps for maximum cartridge storage, micro fleece pockets for idle hands between drives and plenty of secure space to keep essentials close to hand, there's a lot to like in keeping the gun focused without distractions.

Wrapping up with a host of practicalities for battening down on a typical winters day, embroidered branding marks the assurances of Schoffel we've come to expect and a wise investment for this season & beyond.

Available in UK Sizes: 38"- 48"R.

Machine washable & quick drying.
