Our Price: £150

Description

Harkila Heat Waistcoat Willow Green-Black

The defining feature of this innovative new waistcoat are built-in heating membranes that can be set exactly to your desired temperature and this season's must have mid layer for hunting and outdoor activities.

Set between 30°C and 52°C using an associated smartphone app or manually to either 38°C, 46°C or 52°C using the push button control on the chest.

Charge between times through the waterproof USB port in the right hand pocket and with a power bank of 10,000mAh, the waistcoat can output its' highest temperature of 52°C for about 7 hours @ 0°C outside temp.

Automatic sensors place the membranes into standby mode to save energy and turn back on again if and when the temperature falls.

Machine washable, pack away in the supplied dry bag for easy transportation & storage.

Setting aside the fantastic technology, practical features include a soft fleece lined collar, inner pocket, two side pockets and a radio pocket on the left chest.

UK Size: Extra Small & Large.
