## Description

### Bruder AUSA Mini Dumper Truck 1:16 Scale

This new BRUDER model is modelled on the Dumper D 350 AHG made by the Spanish firm AUSA.

Just as its real-life brother, the BRUDER dumper has great off-road capabilities and able to manage those heavy loads normally associated with farm and construction sites.

Equipped with articulated joint steering and tipping trough that can be rotated with ease, the vehicle also features a rear coupling which allows it to be hitched to numerous Bruder scale towed vehicles for extended creative play.

Approx dimensions: 26.6 x 12.4 x 17cm.

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
