Description

Sealey RS131 12V RoadStart Emergency Power Pack Hi Vis Green

As easy to carry as a small briefcase, this Sealey RoadStart model includes a composite case with moulded rubber protection, integral battery cable storage and carry handle.

Equipped with an LED panel to show the charge condition of the battery pack, charge indicators and polarity check with audible warning if polarity is reversed.

The independent on/off switch allows the positive clamp to be connected without the risk of sparking and for use at night an integral LED work light is fitted as standard.

Can be used to power 12V DC items, such as lighting or tools, using the integral vehicle accessory socket and also features a USB outlet (5V/1A).

Supplied with mains charger.
