

Hendon Protective Rubber Boot for Tripod Ladders

22-48200

Our Price: £10

Description

Hendon Protective Rubber Boot for Tripod Ladders

The clawed feet on Hendon's Tripod ladders provide superb grip on soft ground, but when working on hard surfaces a different approach is needed.

These rubber boots cover the feet on each leg and protect your drive or patio or wooden floors and carpets if working indoors from the damage caused by the exposed claws such as scratching.

Purposely designed for Hendon Ladders and extremely easy to add and remove.
