## Portek PO-036 Wind Driven Crop Guard

Heavy duty, high quality, wind driven Scarer designed to agitate birds through random motion, warning colours and strobe effect lighting.

Precision engineered for maximum stability, the unit is straightforward too set up with no need for heavy hammers; simply stake in the fork for instant impact and results.

Portable and easy to relocate, the rust proof ball bearings ensuring continuous movement even in the slight breeze.

Overall Height: 140cm. Head dimensions: 60cm H x 30cm W.

A superb all-weather piece of equipment, providing both excellent value for money and service.

Providing solutions for the farming industry, **Ernest Doe & Sons Ltd** are on hand for any assistance you may require when purchasing this product.

## Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
