Wolf Garten RS4000 Large Anvil Secateurs

39-88177

Description

Wolf Garten RS4000 Large Anvil Secateurs

Ideal for tough, woody and general pruning, these robust pruners are suitable for regular use and ideal for larger sized hands.

The non-stick blades can cut through stems up to 25mm and include a softer metal on the lower jaw to help reduce unnecessary stress on the hand and wrist.

Ergonomically designed with an internal spring mechanism, central locking mechanism plus integrated thumb rest for safety.

Fully replaceable upper blade.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
