Wolf Garten ZMAD Multi-Change Aluminium D-Grip Handle

39-88187

Description

Wolf Garten ZMAD Multi-Change Aluminium D-Grip Handle

This high quality aluminium handle has a comfortable sleeve and D-Grip helping to provide additional leverage and stability when needed.

At 85cm in length, the handle is particularly effective when used with tools requiring a thrusting motion, such as the weed extractor and the lawn edging iron.

Lightweight yet strong, it boasts an easy-to-use release button to securely lock in and remove your chosen tool head.

Part of the unique multi-change system, the handle can be inter-locked with one of the many tool heads in the Wolf Garten range to help prevent discomfort when working.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
