Description

Husqvarna R300 Cutting Deck - CombiClip® 112

Features

Easy Maintenance with Service Position

Effortlessly maintain your mower with the convenient service position, making deck cleaning and servicing simple.

Precision Cutting with a Three-Blade System

Achieve outstanding trimming on both the left and right sides with the efficient three-blade cutting deck.

Floating Cutting Deck for a Flawless Finish

Designed to follow the natural contours of your lawn, the floating cutting deck minimises the risk of scalping for a smooth, even cut.

Versatile Cutting Options

Easily switch between two cutting modes to suit different lawn conditions, ensuring the best results every time.

Smooth Manoeuvrability with Pivoting Wheels

Equipped with pivoting support wheels, the Combi cutting deck delivers effortless movement and enhanced control.
