## Description

### Stihl Function Basic Helmet Set

A complete lightweight helmet with a large mesh visor inclusive of elastic seals to protect against the ingress of dirt.

Features include low profile ear muffs offering valuable sound protection, integrated vents in the upper part of the helmet chamber for improved ventilation and Pin-lock closure for easy adjustment of the headband.

The visor is made from widely used flexible mesh for higher durability and reduced risk of breakage as well as providing good glare protection. Please note the addition of Safety Glasses is highly recommended for use with this product.

Conforms To EN352, EN 397 & EN 1731 standards.

Ideal for Forestry, Arboriculture & Construction.

*We are able to offer zero rate VAT on safety helmets & boots purchased by an individual for his/her own use. Please use voucher code novat when you check out.*
