

# 3M™ Protective Coverall 4515, Type 5/6, White

21-19282P

Our Price: £9.98

## Description

### 3M™ Protective Coverall 4515, Type 5/6, White

An economic solution with type 5/6 protection from hazardous dusts and limited liquid splashes.

Providing an excellent barrier against dry particles and liquid splashes, this robust and low linting suit is constructed using breathable material technology for reduced heat stress and all day comfort.

Featuring a 2-way zip closure for on-off convenience, elasticated cuffs, waist and ankles have been tailored in improving overall fit and freedom of movement.

Ideal for applications such as light Industrial Cleaning & Maintenance work, Asbestos inspection & removal, Cement mixing, Grinding & Polishing metal etc.

CE marking, type 5 and 6: Protection against hazardous substances and splashes. Protection against radioactive particles to EN 1073-2:2002.

Available in UK Sizes: L & X Large.

## Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
