47-41011

Our Price: £13.99

Hozelock 2035 Pro Metal Aqua Stop Connector 12.5-15mm

47-41011

Description

Hozelock 2035 Pro Metal Aqua Stop Connector

Quick connect & durable, this premium Hozelock fitting is especially designed for both 12.5mm & 15mm diameter hoses.

Constructed from a combination of Metal & Polypropylene, a Zinc die cast sleeve assures strength and scratch resistance whilst an innovative internal valve immediately stops the water flow when an accessory is disconnected.

No more wasting water or getting wet, the Aqua Stop is ideally fitted at the gun end of a hosepipe and features soft touch for comfort & grip even when wet plus a flexible tail to prevent your hose from kinking.

Female connection type.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
