Description

Spear & Jackson 4870RS Razorsharp Advantage Edging Shears

The 'Advantage' collection features a precision range of shears for gardeners who demand expert, precise and powerful performance from their tools.

Constructed using hardened and tempered C50 carbon steel for long lasting sharpness, the 230mm blades have been PTFE coated for rust resistance and a continuous smooth cut.

Designed with longer handles to enable the user to adopt a more upright position and feature non-slip grips for enhanced control in all conditions.

We have a great range of products to help you create your perfect garden, so why not browse our huge **Garden Collection** today.
