Description

Spear & Jackson 4867RS Razorsharp Advantage Lawn Shears

The 'Advantage' collection features a precision range of shears for gardeners who demand expert, precise and powerful performance from their tools.

Constructed using hardened and tempered C50 carbon steel for long lasting sharpness, the 200mm blades have been PTFE coated for rust resistance and a continuous smooth cut.

Ideal for cutting long grass in awkward places such as around trees & shrubs, these lawn shears are designed with longer handles to enable the user to adopt a more upright position and feature non-slip grips for enhanced control in all weathers. .

We have a great range of products to help you create your perfect garden, so why not browse our huge **Garden Collection** today.

To keep up to date with our latest news, offers and promotions, be sure to follow us on **Facebook**.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
