Hozelock Pro 2044 Double Male Connector

47-41014

Description

Hozelock Pro 2044 Double Male Connector

Made from Nickel Plated Brass for ultimate strength and durability, this double Male Connector allows two lengths of hose equipped with female connectors to be joined together.

Scratch and frost resistant, it's ideal for outdoor environments and helps to ensure continued connection year after year.

Extend or Repair, use to extend the length of your garden hose or act as a temporary hose repair solution.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
