Hozelock Plus 2050 Hose End Connectors (Twin Pack)

47-41032

Description

Hozelock Plus 2050 Hose End Connectors (Twin Pack)

A step ahead of the rest, this Hozelock Plus connection is made using a combination of the highest quality materials and ultra tough engineering.

Best used at the tap end of the hosepipe, it features a triple locking system which is guaranteed to stay secure up to 10 bar with an ingenious flexible hose-tail to eliminate kinking, swelling & hose leaking.

Part of the quick click & connect system, the soft-touch pads provide a comfortable grip for easy connection / disconnection, even when wet.

Handy twin pack for multiple tap connections around the garden.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
