Description

Multi-Sharp Diamond Tool Sharpener

Putting a razor sharp edge on a wide range of tools, the Diamond Sharpener is ideal for DIY, Home & Garden and even Sports such as Darts & Fishing.

Sharpening the hardest materials including Carbide, Ceramic & Stainless Steel, the diamond rod features 3 surfaces; flat, $\frac{1}{2}$ round and groove surfaces, all of which have thousands of industrial grade diamond particles bonded to a steel alloy. They are extremely long lasting and retain their flatness for many years service.

A knurled nut locks the diamond rod at any length for comfort and versatility and can be fully retracted into the Anodised Aluminium Case for protection when not in use.

Rod length: 6.7cm/2.6".

Product length retracted: 13.8cm/5.4".

Recommended in 'The Lawn Expert' the 3 million best seller by Dr D. G. Hessayon.
