STV The Big Cheese Advanced Pest Repeller

38-05060

Description

STV The Big Cheese Advanced Pest Repeller

This Pest Repeller from The Big Cheese uses a combination of swept ultrasound and electromagnetic action to drive rodent pests from the home.

The unit is inaudible to humans, as well as cats and dogs.

It is safe to use around children and it will not adversely affect electrical wiring or interfere with domestic appliances.

For best result use one unit on each floor area of the home.

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
