Description

Draper Venom 82196 500mm First Fix Handsaw

Manufactured from high quality 1mm carbon steel and fitted with a first fix saw blade that's been correctly hardened, tempered, straightened and stress relieved to ensure strength and straightness.

Double ground saw teeth deliver a faster saw cutting performance with optimal sawdust removal in both forward & reverse motions.

The finely ground handsaw blade is coated with an ultra-tough lacquer protecting the saws blade from corrosion, whilst easing friction when sawing.

Finished with an ergonomic soft grip handle for precise cutting and user comfort, even when used for prolonged periods.

A comprehensive range of first and second fix handsaws are available in the Draper Venom range and all are totally suited for use by both tradesmen and Home DIY enthusiast .
