Description

Creoseal Plus Wood Treatment 4 Litre (Light & Dark Brown)

Creosote Substitute – Creoseal Plus is an oil based wood treatment for use on exterior timber, such as fences and garden sheds.

The properties of **Creoseal Plus** provide protection against weather damage and excellent surface water repelling.

The product enhances grain definition and exhibits the characteristic appearance familiar to traditional creosote users.

Can be spray/dipped or brush applied and available in choice of 2 traditional colours:- **Dark Brown & Light Brown.**

Once dried (usually 48 hrs) it is safe around plants and animals.

Priced per unit.

We have a great range of products to help you keep your Home & Garden in year round tip top condition so why not browse further [here](#) and 'click and collect' from your local Country store.
