Skinner's Field & Trial Light & Senior 15kg

Locally produced in Suffolk, a complete dog food, specially developed and formulated for any dog that requires a less energy dense diet.

Typically, these dogs are older or less active dogs and those who may just be predisposed to weight gain!

With a formulation that includes reduced levels of fat and protein, Light and Senior is an ideal diet for any dog that needs dietary support (in addition to exercise and other lifestyle management!) to maintain a healthy weight and body condition.

Can be fed both in meals and as treats as a holistic weight management strategy.

Skinner's Pet Foods do not use any artificial colourants or flavourings in dry dog food, so the colour of the kibble may vary.
