Description

Felco No5 Pruning Secateurs

Don't be confused by the simpler, refined profile of these pruning shears / secateurs as there is nothing basic about this tool.

The FELCO 5's heavy duty steel handles deliver all the necessary power when a precise cut is a key requirement, while the tapered cutting head gives you all the help you need to reach effectively between branches.

Lifetime guarantee with all parts replaceable.

Overall dimensions: L22.5cm, D2.5cm. More suited to Large hands.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
