Description

Sealey Charge112 Battery Charger 16A 12/24V 230V

Steel cased with a sturdy carry handle, this single phase charger features good ventilation to help maintain low transformer temperatures.

A large ammeter displays rate of charge and a dash-mounted fuse provides polarity protection in the event of the clips being connected incorrectly.

Rocker switches control variable output to the battery to maintain peak condition.

Ideal for regular and low maintenance batteries.
