**** Beautifully crafted and whoever snaps this Jacket up will not be disappointed; either on quality or price ****

You never stop enjoying and appreciating the novelty of something reversible and this jacket has two surprises in store for any country lover this season.

Crafted in an equestrian diamond quilt design on one side and popular puffa on the reverse, it's complete with all the weather beating properties you need, including funnel neck, full zip fastening and side pockets.

And if that's not enough, it's super warm too with recycled wadding that would have otherwise gone to landfill... so it's both kind and cosy all wrapped up into one.
